Official Decision  
Case ZA-1120  
Zoning Administrator  
Carroll County, Maryland

APPLICANT: David Patton  
Donald Patton

REQUEST: A variance from the required setback of 100 feet to 86 feet on the west side and 100 feet to 60 feet on the east side for the location of a sign

LOCATION: 2833 Baltimore Blvd.  
Finksburg, Md.

MAP/BLOCK/PARCEL: 59/10/323

APPLICABLE REGULATIONS: Code of Public Local Laws and Ordinances, Chapters 223-138F and 223-181

HEARING HELD: January 7, 2009

FINDINGS AND CONCLUSIONS

Based on the testimony and evidence presented at the hearing the variance is granted.

Facts, which support the request for relief from the strict terms of the Ordinance, in this case, a variance from the required setback of 100 feet to 86 feet on the west side and 100 feet to 60 feet on the east side for the location of a sign are as follows:

The applicants now have a business sign that is set 40 feet back from the front property line in order to meet the setback requirements for signs. The sign is almost impossible to see when traveling Route 140 where not only is the speed limit 55 miles per hour but the sign is blocked by a large tree on the neighboring property. Even in the winter when the leaves are not on the tree it is very difficult to see the sign. In the summer it completely blocks the sign. The business owner has received complaints that the property is so difficult to find that most times the customers are actually past before they see it and then they have to go all the way down to the shopping center, onto Route 91, make a left on Route 140 and continue until they come to a crossover that allows a u-turn to get back to the business. He also testified that some customers have actually pulled over and backed up on the shoulder of the road. The applicants feel the current location of the sign has resulted in a loss of business and creates a dangerous situation on the highway.

No neighbors were present at the hearing opposing the variance; therefore, the granting of this variance should
have no adverse effect on any adjoining property owners.

This approval is valid for one year from the date of this decision.
