Official Decision  
Case ZA-1145  
Zoning Administrator  
Carroll County, Maryland  

APPLICANT: Denny Wheat Jr.  
REQUEST: Variance from the minimum required front yard setback of 50 feet to 22 feet for a detached garage  
LOCATION: 3409 Edolin Farms Ct.  
Finksburg, Md.  

MAP/BLOCK/PARCEL: 64/2/478  

APPLICABLE REGULATIONS: Code of Public Local Laws and Ordinances, Chapters 223-37 and 223-181  

HEARING HELD: August 5, 2009  

FINDINGS AND CONCLUSIONS  

Based on the testimony and evidence presented at the hearing the variance is granted.  

Facts which support the request for a variance from the minimum required front yard setback of 50 feet to 22 feet for a detached garage are as follows:  

The applicant would like to construct a detached garage at the end of the existing driveway. Health Department regulations require the garage to be a minimum of 30 feet from the well; therefore the garage cannot be built directly behind the house. A location further back on the property is not only restricted by an existing stable but would require extensive grading. The property to the left of the proposed garage is partially screened by a row of pine trees.  

No neighbors were present at the hearing opposing the variance; therefore, the granting of this variance should have no adverse effect on any adjoining property owners.  

This approval is valid for one year from the date of this decision.
