Official Decision
Case ZA-1205
Zoning Administration
Carroll County, Maryland

APPLICANT:

David Patton

REQUEST:

A minimum side yard reduction from 20 feet to 10 feet

LOCATION:

3310 Hooper Road, New Windsor, MD 21776

MAP/BLOCK/PARCEL:

56/20/21/174

APPLICABLE REGULATIONS:

Chapters 223-15 and 223-181

HEARING HELD:

June 2, 2010

FINDINGS AND CONCLUSIONS

Based on the testimony and evidence presented at the hearing the variance is approved.

Facts which support the request for relief from the strict terms of the Ordinance, in this case, a variance for a reduction to a side yard setback of 20 feet to 10 feet are as follows:

The existing lot is a small lot with the septic reserve area and existing septic being close to the rear of the house. The well is located on the other side of the house preventing any expansion to the left side.

No neighbors were present at the hearing opposing the variance; therefore, the granting of this variance should have no adverse effect on any adjoining property owners.

This approval is valid for one year from the date of this decision.

Note: An appeal of a Decision made pursuant to Chapter 223-181.2 may be made to the Board of Zoning Appeals within thirty (30) days of the date of the Zoning Administrator’s decision in accordance with Chapter 223-182 and 223-188 of the Code of Public Local Laws and Ordinances.

A decision of the Zoning Administrator made pursuant to Chapter 223-181 is final and constitutes a zoning action. Unless timely appealed, parties may not thereafter challenge the Zoning Administrator’s decision.
