Official Decision
Case ZA-1229
Zoning Administration
Carroll County, Maryland

APPLICANT: Jay and Virginia Baker
REQUEST: Variance of a proposed driveway width of 20 feet to 12 feet
LOCATION: 1550 Westminster Road, Westminster, MD 21157
MAP/BLOCK/PARCEL: 51/9/671
APPLICABLE REGULATIONS: Chapters 103-25.C.2 and 223-181
HEARING HELD: September 1, 2010

FINDINGS AND CONCLUSIONS

Based on the testimony and evidence presented at the hearing the variance is granted.

Facts which support the request for relief from the strict terms of the Ordinance, in this case, a variance of a proposed driveway width of 20 feet to 12 feet are as follows:

The applicants are building a small vineyard and wine tasting facility that will have a limited number of visitors to the site. The facility is located off of a stone road which has limited traffic. A concern for emergency vehicle access necessitates installing a driveway entrance that is wide enough for emergency vehicles to access the driveway. A condition of approval for the 12 foot wide driveway will be that a commercial entrance be installed off of Westminster Road. It was also brought to the applicant’s attention that he needs to go back to the Board of Zoning Appeals (BZA) on the recommendation of the Bureau of Development Review because of major changes to the site plan that was presented to the BZA. The applicant was also informed that any substantial change to the site plan that was reviewed today will need to be re-evaluated by this office.

No neighbors were present at the hearing opposing the variance; therefore, the granting of this variance should have no adverse effect on any adjoining property owners.

This approval is valid for one year from the date of this decision.
Note: An appeal of a Decision made pursuant to Chapter 223-181.2 may be made to the Board of Zoning Appeals within thirty (30) days of the date of the Zoning Administrator’s decision in accordance with Chapter 223-182 and 223-188 of the Code of Public Local Laws and Ordinances.

A decision of the Zoning Administrator made pursuant to Chapter 223-181 is final and constitutes a zoning action. Unless timely appealed, parties may not thereafter challenge the Zoning Administrator’s decision.
