No. 39-16-770

Building Permit/Zoning
Certificate 93-1286

Case ZA-40

OFFICIAL DECISION
ZONING ADMINISTRATOR
CARROLL COUNTY, MD.

APPLICANT: Charles J. and Wendy L. Wolf
926 Gahle Road
Westminster, MD 21157

REQUEST: A variance reducing the minimum required side yard
20 feet to about 16 feet for an attached garage.

LOCATION: 926 Gahle Road in Election District 7, Lot 1 in
Section 1 of Gale Winds Estates, a subdivision
recorded at 23/46.

APPLICABLE REGULATIONS: Article 15, Section 5c.5, Article 15,
Section 15.5.

HEARING HELD: June 2, 1993

FINDINGS AND CONCLUSION

Based on the testimony and evidence presented at the hearing,
the variance is granted.

Facts which support the request for relief from the strict
terms of the ordinance, in this case a 20 ft. yard requirement for
an attached garage, are as follows:

- a) A detached garage, which could be located in the back yard
without a variance, would have a greater impact on the
adjoining property to the rear.
- b) Location of a detached garage in the back yard would be
limited by the location of underground electrical lines and by
a depression of questionable origin.
- c) The proposed garage is architecturally compatible with the
existing dwelling and others in the neighborhood.
