Official Decision
Zoning Administrator
Carroll County, Maryland

APPLICANT: JGS Corp/JGS Homes
10815 Reisterstown Road
Owings Mills, MD 21117

REQUEST: A variance reducing the minimum
required front yard setback from 25
feet to 21.1 feet for an attached
garage

LOCATION: 107 Larkhill Court
Westminster, MD 21157, E.D. 7

APPLICABLE REGULATIONS: Article 14, Division V, Section
14.5.1; Article 15, Section 15.5;
Zoning Ordinance 1E

HEARING HELD: August 4, 1999

FINDINGS & CONCLUSIONS

Based on the testimony and evidence presented at the hearing, the
variance is granted.

Facts which support the request for relief from the strict terms of
the Ordinance, in this case, a reduction of the minimum front yard
requirement for a dwelling, are as follows:

This parcel of land is located in a cluster subdivision which allows
for smaller lot sizes and lesser setback requirements than in a normal
residential subdivision.

The mistake in front yard setback required by the subdivision plat was
discovered after foundation walls, basement pad and garage pad and
foundations were laid.

A three (3) foot, plus inches variance to the setback will have no
adverse effect on any adjoining properties, the continuity of design of the
cluster subdivision or the intent of the ordinance.

The county in part is responsible as inspections of construction do
not provide for a wall check prior to foundations being poured or built.

NOTE:

Appeals of decisions made pursuant to Section 15.5 may be made to
the Board of Zoning Appeals within thirty (30) days of the date of the
Zoning Administrators decision in accordance with Section 17.4 of the
Carroll County Zoning Ordinance 1E.
A decision of the Zoning Administrator made pursuant to Section 15.5 is final, and constitutes a zoning action. Unless timely appealed, parties may not thereafter challenge the Zoning Administrator's decision.
