

Case ZA-525

**Official Decision
Zoning Administrator
Carroll County, Maryland**

APPLICANT: Lester G. Powell, Jr.
3209 Laverne Circle
Hampstead, Maryland 21074

REQUEST: A variance to reduce the minimum
required front yard setback from 40
feet to 15 feet for a detached
garage

LOCATION: 3209 Laverne Circle
Hampstead, Maryland 21074

APPLICABLE REGULATIONS: Article 7, Section 7.5, Article 15,
Section 15.5; Zoning Ordinance 1E

HEARING HELD: October 4, 2000

FINDINGS & CONCLUSIONS

Based on the testimony and evidence presented at the hearing, the variance is granted.

The Applicant is requesting a variance to place a detached two-car garage, 24 Ft. x 24 Ft. x 8 Ft., without changes to the yard or driveway. The end of the garage would be facing Cape Horn Road. The builder will need to dig in approximately 4 Ft. due to the grade of the property. It was recommended that trees be planted to reduce noise.

Due to the property being a corner lot, there is no other practical location on the property for placement of the garage.

The granting of this variance should have no adverse effect on any adjoining property owners.

This approval is valid for one year from the date of this decision.

NOTE:

Appeals of decision made pursuant to Section 15.5 may be made to the Board of Zoning Appeals within thirty (30) days of the date of the Zoning Administrators decision in accordance with Section 17.4 of the Carroll County Zoning Ordinance 1E.

A decision of the Zoning Administrator made pursuant to Section 15.5 is final, and constitutes a zoning action. Unless timely appealed, parties may not thereafter challenge the Zoning Administrator's decision.
