

Case ZA-533

**Official Decision
Zoning Administrator
Carroll County, Maryland**

APPLICANT: David & Patricia Buckland
2030 Don Avenue
Westminster, Maryland 21157

REQUEST: A variance to reduce the minimum
required rear yard setback from 50
feet to 42 feet for a sunroom

LOCATION: 2030 Don Avenue
Westminster, Maryland 21157

APPLICABLE REGULATIONS: Article 5C, Section 5, Article 15
Section 15.5; Zoning Ordinance 1E

HEARING HELD: December 6, 2000

FINDINGS & CONCLUSIONS

Based on the testimony and evidence presented at the hearing, the variance is granted.

Facts, which support the request for relief from the strict terms of the Ordinance, in this case, a reduction of the minimum required rear yard setback for a sunroom addition, are as follows:

The applicants' original intention was to replace their existing redwood deck with a sunroom. In applying for a permit, it was found that more footage was needed in the back of the house. The applicants' lot is oddly shaped, and the sunroom is at the narrowest section of the lot. The deck has been removed and the proposed 14Ft. X 20 Ft. enclosed glass sunroom will be on the main level.

The granting of the required minimum setback of 50 Ft. to 42 Ft. for an 8 Ft. variance to construct an enclosed sunroom should have no adverse effect on any adjoining property owners, and failure to grant the requested relief will result in undue hardship to the Applicant.

This approval is valid for one year from the date of this decision.

NOTE:

Appeals of decision made pursuant to Section 15.5 may be made to the Board of Zoning Appeals within thirty (30) days of the date of the Zoning Administrator's decision in accordance with Section 17.4 of the Carroll County Zoning Ordinance 1E.

A decision of the Zoning Administrator made pursuant to Section 15.5 is final, and constitutes a zoning action. Unless timely appealed, parties may not thereafter challenge the Zoning Administrator's decision.
