

Case ZA-567

**Official Decision
Zoning Administrator
Carroll County, Maryland**

APPLICANT: Joseph H. & Helen Kreit
5551 Rickell Road
Taneytown, Maryland 21787

REQUEST: A variance to reduce the required
minimum side yard setback from 20
feet to 2 feet for the construction
of an attached garage

LOCATION: 5551 Rickell Road
Taneytown, Maryland 21787

APPLICABLE REGULATIONS: Code of Public Local Laws and
Ordinances, Chapters 223-75 and
223-181

HEARING HELD: May 2, 2001

FINDINGS & CONCLUSIONS

Based on the testimony and evidence presented at the hearing, the variance is granted.

Facts, which support the request for relief from the strict terms of the Ordinance, in this case, a reduction of the minimum required side yard setback from 20 feet to 2 feet to construct an attached garage, are as follows:

The Applicants are requesting an 18 Ft. variance to construct a 24 Ft. x 28 Ft. garage attached to the side of their residence. A drainage swale exists on the far side of their residence, which precludes any construction in that area. There is an unbuildable grassed area between the Applicants property line and property is owned by the Applicant's mother. The construction of a garage on any other location of the Applicants' property would create unreasonable and practical difficulty while the requested variance would have adverse effect to the neighboring property.

There were no neighbors present at the hearing opposing the applicant's request; therefore, the granting of this variance should have no adverse effect on any adjoining property owners.

This approval is valid for one year from the date of this decision.
