Official Decision
Zoning Administrator
Carroll County, Maryland

APPLICANT: Robert T. & Carolyn L. Scott
2611 Old Taneytown Road
Westminster, Maryland 21158

REQUEST: A variance from the required side
yard setback of 20 Ft. to 10 Ft.
for the construction of a detached
garage

LOCATION: 2611 Old Taneytown Road
Westminster, MD 21158

APPLICABLE REGULATIONS: Code of Public Local Laws and
Ordinances, Chapters 223-75 and
223-181

HEARING HELD: December 5, 2001

FINDINGS & CONCLUSIONS

Based on the testimony and evidence presented at the hearing, the
variance is granted.

Facts, which support the request for relief from the strict terms of
the Ordinance, in this case, a reduction of the minimum required side
yard setback from 20 feet to 10 feet to construct a detached garage, are as
follows:

The Applicants are proposing to construct a three-car garage with
storage and guest quarters above. The proposed property consists of 47
acres with approximately 20 acres being in the American Tree Farm System
for conservation. There is a one-acre water retention pond and a
neighboring farmer utilizes approximately 20 acres. Agricultural
preservation farms surround the property. Also, on the property is an 800-
vine vineyard. Four acres are planted in two reforestation projects. The
topography of the property consists of hills and the most efficient
placement of the garage, considering access to the Applicants’ home and
electrical service, is on a wedge of fairly level ground located on the top
of the hill between a paved drive and the neighboring tree line at the edge
of the woods. The garage will house vehicles, machinery and miscellaneous
equipment. The planned space above the garage will be used as a possible
future private living area for the Applicants’ son.

Construction of this detached garage on any other location of the
Applicant’s property would create unreasonable and practical difficulty.

No neighbors were present at the hearing opposing the Applicant’s
request; therefore, the granting of this variance should have no adverse
effect on any adjoining property owners.
This approval is valid for one year from the date of a Zoning Certificate.

NOTE:

Appeals of decision made pursuant to Chapter 223-183 may be made to the Board of Zoning Appeals within thirty (30) days of the date of the Zoning Administrators decision in accordance with Chapter 223-188 of the Code of Public Local Laws & Ordinances.
