

Case ZA-627

**Official Decision
Zoning Administrator
Carroll County, Maryland**

APPLICANT: David C. Signorino
2029 West Old Liberty Road
Westminster, Maryland 21157

REQUEST: A variance from the required
minimum setback of 150 Ft. to 90
Ft. for the construction of a
detached garage

LOCATION: 2029 West Old Liberty Road
Westminster, MD 21157

APPLICABLE REGULATIONS: Code of Public Local Laws and
Ordinances, Chapter 223-181

HEARING HELD: March 5, 2002

FINDINGS & CONCLUSIONS

Based on the testimony and evidence presented at the hearing, the variance is granted.

Facts, which support the request for relief from the strict terms of the Ordinance, in this case, a reduction of the minimum required setback of 150 Ft. to 90 Ft. to construct a detached garage, are as follows:

The Applicant's residence is small and the Applicant's future plans include an addition to the house. Currently, the Applicant is proposing to construct a detached garage to the rear of the property. The garage will be used as shelter for a trailer, lawn mowers and snow blower. This equipment is for a side business, which must be kept inside the garage. There are no adjoining property owners to the front of the property and there is a row of trees to the rear of the property, which screens the property.

Due to the location of the existing driveway, well, and septic area, which is to the front of the house, this is the most suitable location for constructing a detached garage that would not cause undue hardship or practical difficulty for the Applicant.

No neighbors were present at the hearing opposing the Applicant's request; therefore, the granting of this variance should have no adverse effect on any adjoining property owners.

Regarding the 150 Ft. setback, this lot is on some of the old plats that accommodated septic systems year ago. The current setback in an Agricultural District is 40 Ft.

This approval is valid for one year from the date of a Zoning Certificate.
