Official Decision
Zoning Administrator
Carroll County, Maryland

APPLICANT: Wilson Homes, Inc.
1963 Polaris Road
Finksburg, Maryland 21048

REQUEST: A variance from the required
minimum front yard setback of 35
Ft. to 20 Ft. for the construction
of a house.

LOCATION: Lot #11, Ridge View Drive
Westminster, MD 21157

APPLICABLE REGULATIONS: Code of Public Local Laws and
Ordinances, Chapters 223-89 and
223-181
May 7, 2002

HEARING HELD:

FINDINGS & CONCLUSIONS

Based on the testimony and evidence presented at the hearing, the
variance is granted.

Facts, which support the request for relief from the strict terms of
the Ordinance, in this case, a reduction of the minimum required front yard
setback of 35 feet to 20 feet for the construction a house, are as follows:

The Applicant is requesting a variance due to the steep slope of the
property. The closer the house can be constructed to the street, the more
accessible the house can be from the main road. The approval of the
variance would also reduce the need for additional grading, which creates
undue hardship and difficulty for the Applicant. The appearance of the home
would be substantially nicer closer to the street than the required
setback.

No neighbors were present at the hearing opposing the Applicant’s
request; therefore, the granting of this variance should have no adverse
effect on any adjoining property owners.

This approval is valid for one year from the date of a Zoning
Certificate.
NOTE:

Appeals of decision made pursuant to Chapter 223-183 may be made to the Board of Zoning Appeals within thirty (30) days of the date of the Zoning Administrators decision in accordance with Chapter 223-188 of the Code of Public Local Laws & Ordinances.

A decision of the Zoning Administrator made pursuant to Chapter 223-183 is final, and constitutes a zoning action. Unless timely appealed, parties may not thereafter challenge the Zoning Administrator's decision.
