Case ZA-702

Official Decision
Zoning Administrator
Carroll County, Maryland

APPLICANT: Anthony Barrone
6821 Autumn View Drive
Sykesville, Maryland 21784

REQUEST: A variance from the required
minimum setback of 12 Ft. to 4 Ft.
for the construction of an attached
garage to the existing dwelling.

LOCATION: 6821 Autumn View Drive
Sykesville, MD 21784

APPLICABLE REGULATIONS: Code of Public Local Laws and
Ordinances, Chapters 223-82 and
223-191

HEARING HELD: November 5, 2002

FINDINGS & CONCLUSIONS

Based on the testimony and evidence presented at the hearing, the
variance is granted.

Facts, which support the request for relief from the strict terms of
the Ordinance, in this case, a reduction of the minimum required setback of
12 feet to 4 feet for the construction of an attached garage to the
existing dwelling, are as follows:

The Applicant wishes to construct an attached garage on the loft side
of the house, which is where the driveway and existing carport are located.
To reduce the size of the garage would not allow parking of two vehicles.
The lot is narrow with the house in the center making it difficult to meet
the setbacks for a two-car garage.

No neighbors were present at the hearing opposing the Applicant’s
request; therefore, the granting of this variance should have no adverse
effect on any adjoining property owners.

This approval is valid for one year from the date of a Zoning
Certificate.
NOTE:

Appeals of decision made pursuant to Chapter 223-183 may be made to the Board of Zoning Appeals within thirty (30) days of the date of the Zoning Administrators decision in accordance with Chapter 223-188 of the Code of Public Local Laws & Ordinances.

A decision of the Zoning Administrator made pursuant to Chapter 223-183 is final, and constitutes a zoning action. Unless timely appealed, parties may not thereafter challenge the Zoning Administrator=s decision.
