Official Decision
Zoning Administrator
Carroll County, Maryland

APPLICANT: Brian and Joan Rush
3217 Hooper Road
New Windsor, MD 21776

REQUEST: A variance from the required side yard setback of 20 feet to 6 feet for the construction of a detached garage.

LOCATION: 3217 Hooper Road
New Windsor, MD 21776

APPLICABLE REGULATIONS: Code of Public Local Laws and Ordinances, Section 223-66 and 223-181
May 7, 2003

HEARING HELD:

FINDINGS & CONCLUSIONS

Based on the testimony and evidence presented at the hearing for this variance and a site visit for a physical review of the conditions, this variance is granted.

The property was inspected by the Zoning Administrator and the proposed garage was found to have a minimal, if any, effect on adjoining property owners and the overall character of the neighborhood.

The property was duly posted and adjoining property owners were notified of the variance hearing. The petitioner, Brian Rush, attended the hearing.

Strict compliance with the terms of zoning ordinance, per Section 223-181, would be impractical and cause undue hardship on the petitioners.

This approval is valid for one year from the date of a Zoning Certificate.
NOTE:

Appeals of decision made pursuant to Section 223-181 may be made to the Board of Zoning Appeals within thirty (30) days of the date of the Zoning Administrators decision in accordance with Section 223-182 of the Code of Public Local Laws & Ordinances.

A decision of the Zoning Administrator made pursuant to Section 223-182 is final, and constitutes a zoning action. Unless timely appealed, parties may not thereafter challenge the Zoning Administrator=s decision.

DATED 5-9-03

NEIL RIDGELY
ZONING ADMINISTRATOR
