REQUEST:
A variance from the required minimum front setback of 60 feet to 34 feet for an attached garage.

LOCATION:
720 Changing Seasons Road
Westminster, MD 21157

APPLICABLE REGULATIONS:
Code of Public Local Laws and Ordinances, Section 223-181
June 4, 2003

HEARING HELD:

FINDINGS & CONCLUSIONS

Based on the testimony and evidence presented at the hearing for this variance and a site visit for a physical review of the conditions, this variance is granted.

Facts which support the request for relief from the strict terms of The Code of Public Local Laws and ordinances for Carroll County, in this case a reduction to the required setback of 60 feet to 34.5 feet for the construction of an addition on the residence, are as follows: The property was inspected by the Zoning Administrator and the proposed addition was found to have a minimal, if any, effect on adjoining property owners and the overall character of the neighborhood. The site was properly posted and adjoining property owners were notified of the variance hearing. The petitioner attended the hearing. There were no members of the public present at the hearing to testify in opposition to the project. The Office of Zoning Administration has not received any comments in opposition to the variance either by mail or telephone.

Per Section 223-181, strict compliance with the terms of the zoning ordinance would be impractical and cause undue hardship on the petitioners. This approval is valid for one year. Appeals to this decision must be filed within 30 days of the date of the approval.
NOTE:

Appeals of decision made pursuant to Section 223-181 may be made to the Board of Zoning Appeals within thirty (30) days of the date of the Zoning Administrators decision in accordance with Section 223-182 of the Code of Public Local Laws & Ordinances.

A decision of the Zoning Administrator made pursuant to Section 223-182 is final, and constitutes a zoning action. Unless timely appealed, parties may not thereafter challenge the Zoning Administrator's decision.
