## Notice of Decision

Case # ZA-937

Permit # 05-2090

**Variance Request:** For a variance from the minimum setback from 40 feet to **27** feet to enclose an existing deck for a family room at 6412 Freedom Avenue, Sykesville, MD in Election District 05 by James and Christine Carr.

**Basis for Variance:** § 223-89 and § 223-181 of the Carroll County Code of Public Local Laws and Ordinances.

**Decision:** Approved.

**Basis for Decision:**

It is the opinion of the Zoning Administrator that approval of the variance request will not:

- Adversely affect the public health, safety, security, morals, or general welfare.
- Result in dangerous traffic conditions or jeopardize the lives or property of people living in the neighborhood.

In making this determination, the Zoning Administrator cannot answer in the affirmative to the criteria provided in Section 223-191 of the Carroll County Code that:

- There would be a detrimental effect on the people working or residing in the area
- There would be a negative impact on the orderly growth of the community
- There would be a detrimental effect on the peaceful enjoyment of people in their homes.
- That the use would have a negative effect on the conservation of property values.
- That there would be any effect from odors, dust, gas, smoke, fumes, vibrations, glare, and noise upon surrounding property values.

The applicant testified that she is seeking a variance to allow for a family room and that the location of underground utilities and an existing garage prohibit placing the addition elsewhere on the house. The addition will not be dissimilar to others in the neighborhood and will actually be a matter of enclosing an existing deck. There were no protestants at the hearing.

Zoning Administrator
