Official Decision
Case ZA-1036
Permit – 06-2663
Acting Zoning Administrator
Carroll County, Maryland

APPLICANT: Joseph and Melody Balsamo

REQUEST: A variance from the required side yard setback of 20 feet to 14 feet for an addition

LOCATION: 1421 Allen Way
Westminster, Md. 21157

MAP/BLOCK/PARCEL: 39/18/732

APPLICABLE REGULATIONS: Code of Public Local Laws and Ordinances, Chapters 223-66 and 181

HEARING HELD: November 1, 2006

FINDINGS AND CONCLUSIONS

Based on the testimony and evidence presented at the hearing, the variance is granted.

Facts, which support the request for relief from the strict terms of the Ordinance, in this case, a reduction of the minimum required side setback of 20 feet to 14 feet for the construction of an addition, are as follows:

The applicants wish to construct an addition that will expand their dining area for large family gatherings. There is an attached garage on the left side of the house and a pool and deck in the rear yard. The septic system is in the front of the house. A variance would be required to construct an addition on either side or the rear of the house and the right side of the house is the only practical location.

No neighbors were present at the hearing opposing the Applicant's request; therefore, the granting of this variance should have no adverse effect on any adjoining property owners.

This approval is valid for one year from the date of this decision.
