

Case ZA-105

OFFICIAL DECISION  
ZONING ADMINISTRATOR  
CARROLL COUNTY, MD.

**APPLICANT:** Harry Pirrung & Monique Mehring  
2423 Dr. Stitely Road  
New Windsor, MD 21776

**REQUEST:** A variance reducing the minimum front yard requirement for a 65 feet from the center of the road to about 27 feet for a detached garage.

**LOCATION:** 2423 Dr. Stitely Road, in E.D. 9.

**APPLICABLE REGULATIONS:** Art. 4, Sec. 4.16; Art. 15, Sect. 15.5

**HEARING HELD:** May 5, 1994

FINDINGS AND CONCLUSION

Based on the testimony and evidence presented at the hearing, the variance is granted.

Facts which support the request for relief from the strict terms of the ordinance, in this case a 65 foot setback requirement from the center of the road for a detached garage in the front yard are as follows:

- a) The proposed garage will replace an existing building which is located approximately 12 feet from the center of Dr. Stitely Road.
- b) The stream which traverses the property limits the location of a building any further back. (The dwelling is located across the stream and is reached by a footbridge).
- c) The size of the building is intended to accommodate 2 cars, a tractor and a personal workshop.
