Office of  
Zoning Administration

**Official Decision  
Case ZA-1073  
Zoning Manager  
Carroll County, Maryland**

**APPLICANT:** Robert Carver

**REQUEST:** A variance from the required rear yard setback of 50 feet to 45 feet for an addition

**LOCATION:** 4459 Louisville Rd.  
Finksburg, Md.

**MAP/BLOCK/PARCEL:** 64/20/93

**APPLICABLE REGULATIONS:** Code of Public Local Laws and Ordinances, Chapters 223-75 and 181

**HEARING HELD:** September 5, 2007

**FINDINGS AND CONCLUSIONS**

Based on the testimony and evidence presented at the hearing, the variance is granted.

Facts, which support the request for relief from the strict terms of the Ordinance, in this case, a reduction of the minimum required rear yard setback of 50 feet to 45 feet for an addition are as follows:

The applicants wish to build a bedroom addition to the rear of their house. There is an existing sunroom on the back of the house that appears to meet the setback and the new addition will not extend any further than the sunroom; however, the rear property line runs on an angle, creating the need for a variance. Mr. Carver has had many surgeries on his ankle and has difficulty getting around their current small bedroom. The enlargement of the room will allow for wider doorways, etc. that will accommodate his needs. Mr. and Mrs. Brauning, the neighbors who will be directly affected by the variance, attended the hearing in support of the applicants.

There were no neighbors present at the hearing opposing the Applicant's request; therefore, the granting of this variance should have no adverse effect on any adjoining property owners.

This approval is valid for one year from the date of this decision.
