Case ZA-151

**OFFICIAL DECISION  
ZONING ADMINISTRATOR  
CARROLL COUNTY, MD**

**APPLICANT:** Sidney and Kimberly Diehl  
1422 Chazadale Way  
Westminster, Maryland 21157

**REQUEST:** A variance reducing the minimum front yard requirement from 40 feet to about 26 feet for an attached garage.

**LOCATION:** 1422 Chazadale Way in E.D. 7, lot 28 in Section 3 of Chazadale North, a subdivision plat recorded at 20/69.

**APPLICABLE REGULATIONS:** Article 5C, Section 5C.5; Article 15, Section 15.5.

**Hearing Held:** December 7, 1994

**FINDINGS AND CONCLUSIONS**

Based on the testimony and evidence presented at the hearing, the variance is granted.

Facts which support the request for relief from the strict terms of the ordinance, in this case a 40 foot front yard requirement, are as follows:

- a) This is a corner lot, which dictates two front yard requirements. The dwelling faces the narrowest part of the lot, at the intersection of the two streets, resulting in minimal space for an addition.
- b) The septic system location precludes placement of a detached garage in the rear yard.
- c) The garage is proposed to be located toward the rear of the dwelling so as to minimize the encroachment.
