

Case ZA-358

OFFICIAL DECISION  
ZONING ADMINISTRATOR  
CARROLL COUNTY, MD.

**APPLICANT:** Michael S. Forsyth  
910 Medford Road  
New Windsor, MD 21776

**REQUEST:** A variance reducing the minimum setback requirements from property lines for an agricultural barn for horses.

**LOCATION:** 910 Medford Road, in E.D. 11.

**APPLICABLE REGULATIONS:** Article 6, Section 6.7, Article 15, Section 15.5;  
Zoning Ordinance 1E.

**HEARING HELD:** October 8, 1997

**FINDINGS AND CONCLUSION**

Based on the testimony and evidence presented at the hearing, the variance is granted.

Facts which support the request for relief from the strict terms of the Ordinance, in this case a variance reducing the minimum rear yard requirement for an agricultural barn for animals are as follows:

- a. Granting this variance will have no adverse affect on adjoining properties. The southern property line is bordered by an active railroad line.
- b. The adjoining property to the west of the barn which is 5.8 acres and is unbuildable is owned by the applicant Mr. Forsyth.
