

Case ZA-424

**Official Decision  
Zoning Administrator  
Carroll County, Maryland**

**APPLICANT:** Donald E. Hoffman  
1840 Valhalla Drive  
Finksburg, MD 21048

**REQUEST:** A reduction in the minimum side  
yard requirement for an addition

**LOCATION:** 1840 Valhalla Drive  
Finksburg, MD 21048  
E.D. 4

**APPLICABLE REGULATIONS:** Article 5, Section 5.5; Article 15,  
Section 15.5; Zoning Ordinance 1E

**HEARING HELD:** November 4, 1998

**FINDINGS & CONCLUSIONS**

Based on the testimony and evidence presented at the hearing, the variance is granted.

Facts which support the request for relief from the strict terms of the Ordinance, in this case a reduction in the minimum side yard requirement for an addition, are as follows:

The application and variance request for this property was for the purpose of constructing an addition for a bedroom/sitting room. The opposite end of the livable area of the dwelling has a two-car garage attached. To access a bedroom addition on that end would require exiting the livable area entering and crossing through the garage and into the bedroom. This end of the dwelling also has sloping topographical features. The septic area for the dwelling is also located at this end of the dwelling.

The side of the dwelling where the addition is proposed to be located is relatively flat. The side and rear of the house is buffered by a large grove of mature trees which seclude the applicant's property from adjacent dwellings.

The design of the addition is to be set forward of the main dwelling to an offset to be even with the garage which also projects forward and therein balance the effect.

Granting of this twelve-foot variance will have no adverse effect on any adjoining properties.

NOTE:

Appeals of decisions made pursuant to Section 15.5 may be made to the Board of Zoning Appeals within thirty (30) days of the date of the Zoning Administrator's decision in accordance with Section 17.4 of the Carroll County Zoning Ordinance 1E.

A decision of the Zoning Administrator made pursuant to Section 15.5 is final, and constitutes a zoning action. Unless timely appealed, parties may not thereafter challenge the Zoning Administrator's decision.
