

Case ZA-537

**Official Decision
Zoning Administrator
Carroll County, Maryland**

APPLICANT: Rosario D. Rizzo
John H. Serra
2021 Liberty Road
Sykesville, Maryland 21784

REQUEST: A variance to reduce the minimum
required rear yard setback from 25
feet to 10 feet to construct a
maintenance building

LOCATION: Monroe Center, 2021 Liberty Road
Sykesville, Maryland 21784

APPLICABLE REGULATIONS: Article 10, Sections 10.3 and 10.7;
Article 15 Section 15.5; Zoning
Ordinance 1E

HEARING HELD: January 3, 2001

FINDINGS & CONCLUSIONS

Based on the testimony and evidence presented at the hearing, the variance is granted.

Mr. Rizzo stated that he and Mr. Serra own a 14,000 Sq. Ft. strip shopping center on Liberty Road in Eldersburg. Required is a 25-Ft. setback from a proposed roadway that may or may not be constructed on Ridenour Way. Therefore, the Applicant is requesting a variance to reduce the minimum required rear yard setback from 25 feet to 10 feet to construct a 10 Ft. x 36 Ft. modular framed maintenance equipment building with siding in the back parking lot. The proposed building will conform to the existing senior housing condominium units in Winifred Manor. Since there is minimal access around the property, there is no traffic. An emergency exit with a gate was constructed in the event the main entrance located on Monroe Road would become blocked.

The proposed maintenance equipment building will have minimal visibility and the granting of this variance would prove to be more practical for the Applicant by not disturbing the existing required parking spaces on the property.

This approval is valid for one year from the date of this decision.

NOTE:

Appeals of decision made pursuant to Section 15.5 may be made to the Board of Zoning Appeals within thirty (30) days of the date of the Zoning Administrators decision in accordance with Section 17.4 of the Carroll County Zoning Ordinance 1E.
