

Case ZA-551

**Official Decision
Zoning Administrator
Carroll County, Maryland**

APPLICANT: Piney Ridge Village Ltd.
Partnership
4219 Hanover Pike
Manchester, Maryland 21102

REQUEST: A variance to reduce the minimum
required side yard setback from 10
feet to 4 feet for a temporary real
estate sales office

LOCATION: 1166 Heathfield Road
Piney Ridge Village Section 6
Eldersburg, Maryland 21784

APPLICABLE REGULATIONS: Code of Public Local Laws and
Ordinances, Chapters 223-166 and
223-181

HEARING HELD: April 4, 2001

FINDINGS & CONCLUSIONS

Based on the testimony and evidence presented at the hearing, the variance is granted.

Martin K.P. Hill, of Masonry Homes and Piney Ridge Village Limited Partnership testified that a temporary sales trailer is needed through June. The trailer is located on an open space parcel in a new residential development currently under construction. The topography has forced the Applicant to locate the trailer to a point that encroaches on a 10-Ft. side yard that is required in the ordinance. A denial of this temporary variance request would cause a significant hardship for the applicant, since the relocation of the trailer would limit the marketability of the new homes under construction.

The contiguous property is an open space parcel and on all sides of the trailer there are no adjoining parcels that are occupied. The backside of the parcel adjoins the road that is currently deeded to the County; therefore, the granting of this variance is based on practical difficulty and should have no adverse effect.

This approval is valid for one year from the date of this decision.
