

Case ZA-561

**Official Decision
Zoning Administrator
Carroll County, Maryland**

APPLICANT: Stewart A. & Sharon E. Yingling
119 Marydell Drive
Westminster, Maryland 21157

REQUEST: Variances from the required side
yard setback from 12 Ft. to 3 Ft.
and to reduce the front yard
minimum building line from 35 Ft.
to 31 Ft. for the construction of
an attached garage

LOCATION: 119 Marydell Drive
Westminster, Maryland 21157

APPLICABLE REGULATIONS: Code of Public Local Laws and
Ordinances, Chapters 223-89 and
223-181

HEARING HELD: May 2, 2001

FINDINGS & CONCLUSIONS

Based on the testimony and evidence presented at the hearing, the variances are granted.

The applicants are requesting a 9 Ft. variance from the required side yard setback and a 4 Ft. variance to reduce the front yard minimum building line for the construction of an attached garage. The garage will serve as protection and storage of a classic car, as well as other family vehicles since there is limited parking in the development. The garage would also deter school children from crossing in front of the Applicants' property. Since the Applicants' home is a duplex style there is no other available place for the location of a garage, the test for practical difficulty is met for the construction of a normal accessory type structure to a residence.

There were no neighbors present at the hearing opposing the applicant's request; therefore, the granting of this variance should have no adverse effect on any adjoining property owners.

This approval is valid for one year from the date of this decision.

NOTE:

Appeals of decision made pursuant to Chapter 223-183 may be made to the Board of Zoning Appeals within thirty (30) days of the date of the Zoning Administrators decision in accordance with Chapter 223-188 of the Code of Public Local Laws & Ordinances.

A decision of the Zoning Administrator made pursuant to Chapter 223-183 is final, and constitutes a zoning action. Unless timely appealed, parties may not thereafter challenge the Zoning Administrator's decision.
