

Case ZA-577

**Official Decision
Zoning Administrator
Carroll County, Maryland**

APPLICANT: Michael H. Stem
1802 Ridge Road
Westminster, Maryland 21157

REQUEST: A variance from the building setback line in order to expand the need to change the setback line from 40 Ft. to 30 Ft. to place portable mini storage buildings.

LOCATION: 1715 Old Liberty Road
Westminster, Maryland 21157

APPLICABLE REGULATIONS: Code of Public Local Laws and Ordinances, Chapters 223-113 and 223-181

HEARING HELD: July 11, 2001

FINDINGS & CONCLUSIONS

Based on the testimony and evidence presented at the hearing, the variance is granted.

The Applicant testified that he has a demand for additional mini storage units. Roads surround the existing mini storage units on all sides of the property. The proposed units will be placed on the Rt. 26 side of the property where the State has a sizable right-of-way beyond the paved surface. The setback variance for these portable units is needed since the back fence is close to the property line and the State road right-of-way with the grass embankments etc. There would be no safety problems for people utilizing the facility, since there is more space between the new proposed units than the existing units. The new units would not infringe upon the traveled surface.

As a result, the expansion of portable mini-storage units on any other location of the Applicants' property would create unreasonable and practical difficulty.

There were no neighbors present at the hearing opposing the applicant's request; therefore, the granting of this variance should have no adverse effect on any adjoining property owners.

This approval is valid for one year from the date of this Zoning Certificate.
