

Case ZA-618

**Official Decision
Zoning Administrator
Carroll County, Maryland**

APPLICANT: Joseph C. McCormick
1333 Companion Drive
Eldersburg, Maryland 21784-6134

REQUEST: A variance from the required
minimum setback of 12 Ft. to 4 Ft.
for the construction of a deck

LOCATION: 1333 Companion Drive
Eldersburg, MD 21784

APPLICABLE REGULATIONS: Code of Public Local Laws and
Ordinances, Chapters 223-89 and
223-181

HEARING HELD: January 8, 2002

FINDINGS & CONCLUSIONS

Based on the testimony and evidence presented at the hearing, the variance is granted.

In order for the Applicant to utilize the existing sliding doors on his home, a deck is being proposed. This deck would serve as a private area for the Applicant and his wife, as well as providing a view from the surrounding town homes. The Applicant's home sits back further than the neighbors' houses and the proposed deck would be parallel with the surrounding houses from the property line. The proposed deck would not interfere with the existing drainage easement for the townhouses. The proposed deck would be an improvement for the Applicant and would create no adverse affects to the adjoining properties.

Practical difficulty has been met based on the fact that the sliding doors exist and the only use for the Applicant would be to build a deck. No neighbors were present at the hearing to oppose the Applicant's request; therefore, the variance is granted from the required minimum setback of 12 Ft. to 4 Ft. for the construction of a deck onto the existing dwelling.

This approval is valid for one year from the date of a Zoning Certificate.
