

Case ZA-653

**Official Decision
Zoning Administrator
Carroll County, Maryland**

APPLICANT:

Kimberly L. Abbott
202 N. Houcksville Road
Hampstead, Maryland 21074

REQUEST:

A variance from the required
minimum side yard setback of 20 Ft.
to 6 Ft. for the construction of an
attached storage garage.

LOCATION:

202 N. Houcksville Road
Hampstead, MD 21074

APPLICABLE REGULATIONS:

Code of Public Local Laws and
Ordinances, Chapters 223-75 and
223-181

HEARING HELD:

June 4, 2002

FINDINGS & CONCLUSIONS

Based on the testimony and evidence presented at the hearing, the variance is granted.

Facts, which support the request for relief from the strict terms of the Ordinance, in this case, a reduction of the minimum required side yard setback of 20 feet to 6 feet for the construction of an attached storage garage, are as follows:

The Applicant is proposing to construct an attached storage garage beside the existing carport. Since, the property is triangular in shape, the Applicant is limited to the location where the garage could be constructed. The proposed garage will be used as storage for lawn equipment, etc. The septic system is located to the rear of the property and there is a wooded area on one side of the property, which creates undue hardship and practical difficulty for the applicant to construct a garage on any other area of the property. It is practical for the Applicant to construct the garage on this proposed location, since the existing driveway comes in from Houcksville Road.

No neighbors were present at the hearing opposing the Applicant's request; therefore, the granting of this variance should have no adverse effect on any adjoining property owners.

This approval is valid for one year from the date of a Zoning Certificate.
