

Case ZA-712

**Official Decision
Zoning Administrator
Carroll County, Maryland**

APPLICANT: West Falls Christian
Community Church
5330 Buffalo Road
Mt. Airy, Maryland 21771

REQUEST: A variance from the required
minimum setback of 50 Ft. to 15 Ft.
for the construction of an addition
for storage to the existing church.

LOCATION: 5330 Buffalo Road
Mt. Airy, MD 21771

APPLICABLE REGULATIONS: Code of Public Local Laws and
Ordinances, Chapters 223-75 and
223-181

HEARING HELD: December 3, 2002

FINDINGS & CONCLUSIONS

Based on the testimony and evidence presented at the hearing, the variance is denied.

Facts, which support the request for relief from the strict terms of the Ordinance, in this case, a reduction of the minimum required setback of 50 feet to 15 feet for the construction of an addition for storage to the existing church, are as follows:

The church wishes to erect an addition across the back of the church, which would attach to an existing rear addition. Mr. Randall Biss was in attendance opposing the Applicant's request. He cited the preservation of an existing tree on his property and the future of his septic system as part of the reason for his opposition. Mr. Biss also claimed the rear addition was constructed without a building permit. After further research, there was no building permit or variance granted for the addition, therefore the request for this variance cannot be acted upon until the existing violation is abated. The Applicant needs to file the necessary request for the illegal addition and should include this latest request to the Board of Zoning Appeals.
