Zoning Administrator

Notice of Decision

Case # ZA-827
Permit # 04-0441

Variance Request: For a variance from the minimum side yard setback from 20 feet to 5 feet for a detached garage at the residence located at 5145 Bartholow Road in Sykesville MD by James R. Haga, Jr.

Basis for Variance: § 223-75 and § 223-181 of the Carroll County Code of Public Local Laws and Ordinances.

Decision: Approved.

Basis for Decision:

It is the opinion of the Zoning Administrator that approval of the variance request will not:

- Adversely affect the public health, safety, security, morals, or general welfare.
- Result in dangerous traffic conditions or jeopardize the lives or property of people living in the neighborhood.

In making this determination, the Zoning Administrator cannot answer in the affirmative to the criteria provided in Section 223-191 of the Carroll County Code that:

- There would be a detrimental affect on the people working or residing in the area
- There would a negative impact on the orderly growth of the community
- There would be a detrimental effect on the peaceful enjoyment of people in their homes.
- That the use would have a negative effect on the conservation of property values.
- That there would be any effect from odors, dust, gas, smoke, fumes, vibrations, glare, and noise upon surrounding property values.

The applicant was persuasive in his testimony that a practical hardship would exist if the garage were placed elsewhere on the property. Due to the location of the well & septic system and the very narrow nature of the lot, it is not possible to locate a garage elsewhere. There were no protestants to the variance.

Zoning Administrator
