

Notice of Decision

Case # ZA-859
Permit # 04-2534

Variance Request: For a variance to the minimum side yard setback of 40 feet to 36 feet for an addition to the residence at 1844 A Snydersburg Road, Westminster, MD in Election District 06 by P. Trent Pierce.

Basis for Variance: Chapter 223-75 and 223-181 of the Carroll County Code of Public Local Laws and Ordinances.

Decision: Approved

Basis for Decision:

The residence on this property was built in 1983 and is situated right on the minimum building line. Owing to the topography of the 1.1 acre lot there is little other space for an addition within the MBL. There were no protestants to the variance.

It is the opinion of the Zoning Administrator that approval of the variance request will not:

- Adversely affect the public health, safety, security, morals, or general welfare.
- Result in dangerous traffic conditions or jeopardize the lives or property of people living in the neighborhood.

In making this determination, the Zoning Administrator cannot answer in the affirmative to the criteria provided in Section 223-191 of the Carroll County Code that:

- There would be a detrimental affect on the people working or residing in the area
- There would a negative impact on the orderly growth of the community
- There would be a detrimental effect on the peaceful enjoyment of people in their homes.
- That the use would have a negative effect on the conservation of property values.
- That there would be any effect from odors, dust, gas, smoke, fumes, vibrations, glare, and noise upon surrounding property values.

Neil M. Ridgely
Zoning Administrator
