Office of Zoning Administration

Neil M. Ridgely
Zoning Administrator

Notice of Decision

Case # ZA-890
Permit # 05-0370

Variance Request: For a variance from the minimum yard setback from 50 feet to 30 feet for an addition to the residence and garage at 1002 Hacienda Court, Westminster, MD in Election District 07 by John and Elizabeth Francies.

Basis for Variance: § 223-66 and § 223-181 of the Carroll County Code of Public Local Laws and Ordinances.

Decision: Approved.

Basis for Decision:

It is the opinion of the Zoning Administrator that approval of the variance request will not:

- Adversely affect the public health, safety, security, morals, or general welfare.
- Result in dangerous traffic conditions or jeopardize the lives or property of people living in the neighborhood.

In making this determination, the Zoning Administrator cannot answer in the affirmative to the criteria provided in Section 223-191 of the Carroll County Code that:

- There would be a detrimental effect on the people working or residing in the area
- There would a negative impact on the orderly growth of the community
- There would be a detrimental effect on the peaceful enjoyment of people in their homes.
- That the use would have a negative effect on the conservation of property values.
- That there would be any effect from odors, dust, gas, smoke, fumes, vibrations, glare, and noise upon surrounding property values.

The deck on this property is already sitting within the setback without negatively effecting neighboring properties. The location of the existing septic system, well and reserve area for another septic system preclude locating the garage and addition elsewhere. Several other homes in the New Mexico development have similar garages and great rooms as the applicants have applied for. Accordingly, the variance is granted.
