## Notice of Decision

Case # ZA-901  
Permit # 05-0643

**Variance Request:** For a variance from the minimum setback from 35 feet to 27 feet for a patio room addition to the residence at 6564 Kali Drive, Eldersburg, MD in Election District 05 by James and Janet Borders.

**Basis for Variance:** § 223-181 of the Carroll County Code of Public Local Laws and Ordinances.

**Decision:** Approved.

**Basis for Decision:**

It is the opinion of the Zoning Administrator that approval of the variance request will not:

- Adversely affect the public health, safety, security, morals, or general welfare.
- Result in dangerous traffic conditions or jeopardize the lives or property of people living in the neighborhood.

In making this determination, the Zoning Administrator cannot answer in the affirmative to the criteria provided in Section 223-191 of the Carroll County Code that:

- There would be a detrimental effect on the people working or residing in the area
- There would a negative impact on the orderly growth of the community
- There would be a detrimental effect on the peaceful enjoyment of people in their homes.
- That the use would have a negative effect on the conservation of property values.
- That there would be any effect from odors, dust, gas, smoke, fumes, vibrations, glare, and noise upon surrounding property values.

The existing residence is approximately 1900 square feet and an addition is needed to accommodate returning family members throughout the year. The addition will be a three-season room addition and will not have HVAC at this time. Several other residences in this neighborhood have similar additions. Given the size of the lot and house and the history of similar or larger additions in the neighborhood, the request is reasonable.
