## Notice of Decision

Case # ZA-902  
Permit # 05-0867

**Variance Request:** For a variance from the minimum setback from 50 to 35 feet for a family room addition to the residence at 6303 Davis Road, Mt. Airy, MD in Election District 13 by Benjamin Sellers and Anne Quinlan.

**Basis for Variance:** § 223-37 and § 223-181 of the Carroll County Code of Public Local Laws and Ordinances.

**Decision:** Approved.

**Basis for Decision:**

It is the opinion of the Zoning Administrator that approval of the variance request will not:

- Adversely affect the public health, safety, security, morals, or general welfare.
- Result in dangerous traffic conditions or jeopardize the lives or property of people living in the neighborhood.

In making this determination, the Zoning Administrator cannot answer in the affirmative to the criteria provided in Section 223-191 of the Carroll County Code that:

- There would be a detrimental effect on the people working or residing in the area
- There would a negative impact on the orderly growth of the community
- There would be a detrimental effect on the peaceful enjoyment of people in their homes.
- That the use would have a negative effect on the conservation of property values.
- That there would be any effect from odors, dust, gas, smoke, fumes, vibrations, glare, and noise upon surrounding property values.

The existing residence is approximately 1,800 square ft. in size and was built in 1978. The applicants would like to open the house up to more daylight by adding the proposed family room. The addition could not be located elsewhere on the property due to the locations of the well and septic system. The addition will leave adequate space between the residence and other properties in the area. There were no objections to the variance.
