## Notice of Decision

Case # ZA-934  
Permit # 05-1839

**Variance Request:** For a variance from the minimum setback from 20 feet to 10 feet for a detached garage at 2802 Rainbow Drive, Westminster, MD in Election District 04 by Robert Weishaar.

**Basis for Variance:** § 223-64 and § 223-181 of the Carroll County Code of Public Local Laws and Ordinances.

**Decision:** Approved.

**Basis for Decision:**

It is the opinion of the Zoning Administrator that approval of the variance request will not:

- Adversely affect the public health, safety, security, morals, or general welfare.
- Result in dangerous traffic conditions or jeopardize the lives or property of people living in the neighborhood.

In making this determination, the Zoning Administrator cannot answer in the affirmative to the criteria provided in Section 223-191 of the Carroll County Code that:

- There would be a detrimental effect on the people working or residing in the area
- There would a negative impact on the orderly growth of the community
- There would be a detrimental effect on the peaceful enjoyment of people in their homes.
- That the use would have a negative effect on the conservation of property values.
- That there would be any effect from odors, dust, gas, smoke, fumes, vibrations, glare, and noise upon surrounding property values.

The applicant was joined by contractor John D. Kerr in his testimony. The location of the garage is constrained by the location of the septic system and well locations. The garage will not be dissimilar to others in the neighborhood. There were no protestants at the hearing.
