

Notice of Decision

Case # ZA-938
 Permit # 05-2486

Variance Request: For a variance from the required minimum setback of 60 feet in the front to 12 feet and 20 feet on the side yard to 10 feet for a garage at 6594 Streamwood Court, Sykesville, MD in Election District 14 by Richard Rivkin.

Basis for Variance: § 223-66 and § 223-181 of the Carroll County Code of Public Local Laws and Ordinances.

Decision: Approved.

Basis for Decision:

It is the opinion of the Zoning Administrator that approval of the variance request will not:

- Adversely affect the public health, safety, security, morals, or general welfare.
- Result in dangerous traffic conditions or jeopardize the lives or property of people living in the neighborhood.

In making this determination, the Zoning Administrator cannot answer in the affirmative to the criteria provided in Section 223-191 of the Carroll County Code that:

- There would be a detrimental effect on the people working or residing in the area
- There would a negative impact on the orderly growth of the community
- There would be a detrimental effect on the peaceful enjoyment of people in their homes.
- That the use would have a negative effect on the conservation of property values.
- That there would be any effect from odors, dust, gas, smoke, fumes, vibrations, glare, and noise upon surrounding property values.

The applicant was accompanied by his builder, Mr. John Serra. Mr. Serra stated that because of the unusual configuration of the lot a garage could not be placed elsewhere. Mr. Rivkin testified that the building materials used will be similar to those used on the house. It is agreed that the lot configuration is unique. There were no letters nor was anyone present to protest the variance.

Neil M. Ridgely
