Notice of Decision

Case # ZA-939
Permit # 05-2262

Variance Request: For a variance from the required minimum setback of 50 feet to 45 feet for a garage at 2036 Carrollton Road, Finksburg, MD in Election District 04 by Douglas Green.

Basis for Variance: § 223-37 and § 223-181 of the Carroll County Code of Public Local Laws and Ordinances.

Decision: Approved.

Basis for Decision:

It is the opinion of the Zoning Administrator that approval of the variance request will not:

- Adversely affect the public health, safety, security, morals, or general welfare.
- Result in dangerous traffic conditions or jeopardize the lives or property of people living in the neighborhood.

In making this determination, the Zoning Administrator cannot answer in the affirmative to the criteria provided in Section 223-191 of the Carroll County Code that:

- There would be a detrimental effect on the people working or residing in the area
- There would a negative impact on the orderly growth of the community
- There would be a detrimental effect on the peaceful enjoyment of people in their homes.
- That the use would have a negative effect on the conservation of property values.
- That there would be any effect from odors, dust, gas, smoke, fumes, vibrations, glare, and noise upon surrounding property values.

The applicant stated that because of the extreme topography of the Carrollton area that there was no other reasonable location for the garage. They are also constrained by the locations of the well, septic system and system reserve area. There were no letters nor was anyone present to protest the variance.
