## Notice of Decision

Case # ZA-944  
Permit # 05-2680

**Variance Request:** For a variance from the required minimum setback of 35 feet to 20 feet for an addition at 155 Federal Ann Court, Westminster, MD in Election District 07 by Kathy Huff.

**Basis for Variance:** § 103-43 and § 223-181 of the Carroll County Code of Public Local Laws and Ordinances.

**Decision:** Approved.

**Basis for Decision:**

It is the opinion of the Zoning Administrator that approval of the variance request will not:

- Adversely affect the public health, safety, security, morals, or general welfare.
- Result in dangerous traffic conditions or jeopardize the lives or property of people living in the neighborhood.

In making this determination, the Zoning Administrator cannot answer in the affirmative to the criteria provided in Section 223-191 of the Carroll County Code that:

- There would be a detrimental effect on the people working or residing in the area
- There would a negative impact on the orderly growth of the community
- There would be a detrimental effect on the peaceful enjoyment of people in their homes.
- That the use would have a negative effect on the conservation of property values.
- That there would be any effect from odors, dust, gas, smoke, fumes, vibrations, glare, and noise upon surrounding property values.

The applicant was accompanied by their contractor, Mr. Jerry Pscetto who indicated that he was responsible for starting the footer work prior to the issuance of a building permit. The addition is needed because the parents have moved in with them and more household room is needed. There is no other location on the lot which is suitable for an addition. Similar additions are seen throughout the neighborhood. There were no objections to this variance by mail or at the hearing.

Zoning Administrator
