Notice of Decision

Case # ZA-952

Permit # 05-3091

Variance Request: For a variance from the required minimum setback of 12 feet to 10 feet for the addition of an attached garage to the residence at 1135 Lafayette Drive, Eldersburg, MD in Election District 05 by Paul and Holly deBenedictis.

Basis for Variance: § 223-82 and § 223-181 of the Carroll County Code of Public Local Laws and Ordinances.

Decision: Approved.

Basis for Decision:

It is the opinion of the Zoning Administrator that approval of the variance request will not:

- Adversely affect the public health, safety, security, morals, or general welfare.
- Result in dangerous traffic conditions or jeopardize the lives or property of people living in the neighborhood.

In making this determination, the Zoning Administrator cannot answer in the affirmative to the criteria provided in Section 223-191 of the Carroll County Code that:

- There would be a detrimental effect on the people working or residing in the area
- There would be a negative impact on the orderly growth of the community
- There would be a detrimental effect on the peaceful enjoyment of people in their homes.
- That the use would have a negative effect on the conservation of property values.
- That there would be any effect from odors, dust, gas, smoke, fumes, vibrations, glare, and noise upon surrounding property values.

The applicant stated that the additional garage space was needed for a 3^d vehicle and to keep that vehicle off the street. The site is constrained by the septic system; the new garage section would be served by the existing paved driveway. There was no correspondence protesting the variance and no one appeared at the hearing to question or oppose the variance.

Zoning Administrator
