Notice of Decision

Case # ZA-975
Permit # 05-3814

Variance Request: For a variance from the required minimum setback of 50 feet to 43 feet for a garage at 366 Ebert Road, Union Bridge, MD, in Election District 12 by David Bell.

Basis for Variance: § 223-75 and § 223-181 of the Carroll County Code of Public Local Laws and Ordinances.

Decision: Approved.

Basis for Decision:

It is the opinion of the Zoning Administrator that approval of the variance request will not:

- Adversely affect the public health, safety, security, morals, or general welfare.
- Result in dangerous traffic conditions or jeopardize the lives or property of people living in the neighborhood.

In making this determination, the Zoning Administrator cannot answer in the affirmative to the criteria provided in Section 223-191 of the Carroll County Code that:

- There would be a detrimental effect on the people working or residing in the area.
- There would be a negative impact on the orderly growth of the community.
- There would be a detrimental effect on the peaceful enjoyment of people in their homes.
- That the use would have a negative effect on the conservation of property values.
- That there would be any effect from odors, dust, gas, smoke, fumes, vibrations, glare, and noise upon surrounding property values.

The applicant stated that a variance is needed because there is an existing pole building to the one side of the residence and that all electrical connections and the HVAC unit are located on the side of the home where the setbacks could be met. There is an existing retaining wall where he wishes to locate the garage so that it will be level with the basement entry to the home. The proposed location is also necessary due to the area taken up by the septic system in the rear yard and the well to the front. There were no protestants to this variance present at the hearing. As there is already an existing detached garage at this property it was explained to the applicant that the garages could not be used for commercial purposes.

Zoning Administrator
