Neil M. Ridgely

Zoning Administrator

Notice of Decision

Case # ZA-983

Permit # 05-3881

Variance Request: For a variance from the required minimum setback of 40 feet to 32 feet for an addition to the residence at 315 Snowfall Way, Westminster, MD in Election District.07 by Bradley and Sara Dickmyer.

Basis for Variance: § 223-89 and § 223-181 of the Carroll County Code of Public Local Laws and Ordinances.

Decision: Approved.

Basis for Decision:

It is the opinion of the Zoning Administrator that approval of the variance request will not:

- Adversely affect the public health, safety, security, morals, or general welfare.
- Result in dangerous traffic conditions or jeopardize the lives or property of people living in the neighborhood.

In making this determination, the Zoning Administrator cannot answer in the affirmative to the criteria provided in Section 223-191 of the Carroll County Code that:

- There would be a detrimental effect on the people working or residing in the area
- There would be a negative impact on the orderly growth of the community
- There would be a detrimental effect on the peaceful enjoyment of people in their homes.
- That the use would have a negative effect on the conservation of property values.
- That there would be any effect from odors, dust, gas, smoke, fumes, vibrations, glare, and noise upon surrounding property values.

The applicants wish to add a three story addition (same height as existing bldg.) to their residence to provide additional living area for them and their two children. The lot is very narrow with particularly small side yards, thus necessitating the addition's placement to the rear of the home. There were no protestants in attendance at the hearing.

Neil M. Ridgely
Zoning Administrator
