RE: **Application of George and Magdalena Felton for Conditional Use Approval**

*C5585*

Dear Ms. David:

Kindly be advised the Felton's hereby withdraw their application for conditional use approval for an Assisted Living Facility.

In light of the current water moratorium in the City of Westminster, the Felton's have determined that they will re-examine the situation once they are able to obtain allocation for the required water to use the premises as an assisted living facility.

Thank you again for your time and cooperation.

Very truly yours,
